**TERMINAL DISCLAIMER UNDER 37 C.F.R. 1.321(c)**

I, Jeffrey A. Cooper, am an attorney of record of the disclaimant, Thomas P. Branch, and am authorized to execute this disclaimer on behalf of Thomas P. Branch. The disclaimant, Thomas P. Branch, having a principal place of business at 203 Rio Circle Decatur, GA 30030, is the owner of all right, title, and interest in the above-identified application.

The disclaimant hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of United States Patent No. 6,669,660, issued December 30, 2003, entitled *Orthotic Apparatus and Method for Using Same*.

Disclaimant further agrees that any patent so granted on the above-identified application, which is the subject of this disclaimer, shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,669,660, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors, or assigns.

Nothing herein shall be construed as a disclaimer of any terminal part of any patent granted on the above-identified application which is prior to the expiration of the full statutory term of U.S. Patent No. 6,669,660 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(c), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
